Gentlemen:

Thank you for your recent inquiry on the new patented Mat Holder Stick.

This new stick holds stereotype style metal mats for casting on LUDLOW machines. Our catalog illustrating mat assortments enclosed is drilled for a standard ring binder. Supplement sheets will be forwarded from time to time illustrating additional mats and assortments now being designed.

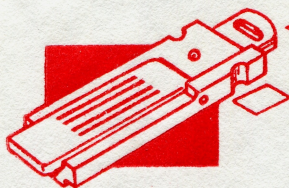

Our Mat Holder Stick requires no other attachments and works equally well using 6 pt. or 12 pt. molds. The steel and aluminum stick complete with one mat assortment of 100 mats is \$49.00. Your choice of 15 additional mats will be shipped FREE if your check accompanies your order. All mat assortments are packed in a handy plastic box for easy storage. Additional or replacement mats are always in stock, priced at 20¢ each, minimum order - 10 mats.

If you find this product unsatisfactory for your use, you may return it within 10 days for a complete refund.

Sincerely yours,

MAT HOLDER STICK COMPANY, INC.

P. S. Enclosed is sample of improved brass mat with which we will fill the orders for the balance of this year at the old price of \$49.00. As of January 1, 1963 the price for the stick and mat assortment will be \$59.00.
